

SPONSOR AN AREA IN THE SHELTER

You can permanently sponsor an area of the shelter with your company name or the name of a beloved pet or person. Sponsor a kennel, and give our shelter animals a safer, healthier, happier place to stay until their adoptive parents arrive. This is a great way for individuals or businesses to demonstrate their support for the homeless animals every day of the year. By becoming a sponsor, you help provide the animals with food, medical care, beds, and comfort necessary for their stay. It is also a terrific way to advertise your business, honor a loved one (human or furry), or simply give back to your community.

BRONZE LEVEL SPONSOR

You can sponsor the animal of your choice or multiple animals! Donors who sponsor a pet can be recognized in the pet's online description or kept anonymous, it's up to you!
